Local Leadership Partners with TVA to Improve Lake Use Conditions

Scottsboro, AL, July 29, 2024, Jackson County Commission Chairman Bill Nance on Monday announced that he would in conjunction with the Jackson County Legislative Delegation, including Senate Majority Leader Steve Livingston (R-Scottsboro), Representative Mike Kirkland (R-Scottsboro), and Representative Ritchie Whorton (R-Owens Cross Roads), City of Scottsboro Mayor Jim McCamy and The Tennessee Valley Authority (TVA) hold a press conference, Tuesday July 30 at 2:00 PM at the Jackson County Council on Aging to address the partnership with TVA in efforts to improve recreational lake use for boaters and homeowners.

The Jackson County Commission, City of Scottsboro, and the Delegation have worked diligently with TVA toward improving water quality issues caused by invasive weeds and eelgrass including harvesting and applying herbicides to manage the weed growth. All parties are currently working to find additional partnerships and solutions. TVA has remained a partner to Jackson County with a continued commitment to addressing this issue.
