## COVID-19 Funeral Assistance Interim Policy

---

- Funeral Assistance will be implemented by FEMA nationwide on April 12, 2021.
- FEMA will administer this program at the National level working with states, territory, tribal and Washington D.C. leaders on its delivery with the decedent's place of death dictating which disaster declaration applies.
- Tribal members will be eligible to apply through the state, territorial, or Washington D.C. major disaster declarations for COVID-19.
- Tribal governments may continue to coordinate directly with their FEMA Regional Offices on any issues pertaining to the program and/or member inquiries.
- Because this is a federally managed and administered program, payments are direct to individuals across the nation, regardless of which declaration applies.
